

AMBAG Assembly Scheduled April 30

The Association of Monterey Bay Area Governments (AMBAG) will discuss problems caused by the loss of local revenues and cutbacks in state and federal aid at its 1982 general assembly April 30 at the Crosetti Ranch near Watsonville.

Theme of the day-long conference is "Managing With Less."

The morning session will be devoted to addressing the impact of federal and state proposals, with speakers from the state Legislative Analyst's office, the U.S. Environmental Protection Agency, federal Highway Administration and the Department of Housing and Urban Development discussing proposed programs and budgets and the anticipated impacts on local governments.

The afternoon session will be on the local government response to revenue reductions.

Additional information on the conference is available from AMBAG, 624-2117.
