

'Twas Moving Day Yesterday At City Hall

'Twas a little more than a week before Christmas and all through Santa Cruz City Hall lots of creatures were stir-

ring yesterday as workmen from two moving firms used dollies and forklifts instead of

◇ ◇ ◇

reindeer and sleighs to transport desks and files and other equipment and furniture to the new \$450,000 annex. The annex will be the home of

the departments of water, finance, public works, building services and planning, all of which will be open for business in their new quar-

ters tomorrow. The annex is located west of the present city hall on Church Street. Bids now are being invited for remodeling of the old

building; the cost of that project is estimated at \$110,000. Yesterday's move was supervised by members of the city staff.
