KELLEY AIMS FOR EMPLOYEES ON CIVIL SERVICE COMMISSIONS

Local President, Tom Kelley, told delegates at the last Northern California League Council that the time has arrived to seek employees' representatives on Civil Service Commissions and Boards to "assure competent and fair administration." He backed up his point with a resolution for the Conference Committee and recommended action by the Legislative group. "To follow the present democratic trend, the least to come from adoption of such a measure would be a true harmonious employee-management relationship", Kelley stated in presenting the issue to the Association delegates.

The following letter on this subject was written to Ellinor Lage, Secretary, California League of City Employees Association, by Kelley:

"It was proposed at the last meeting of the Northern California Presidents' Council that I submit as sponsor a measure to be presented to the Resolutions Committee for recommendation. Since my suggestion at the Palo Alto meeting was accepted, a tentative resolution is attached, subject to additions or corrections."

Tentative Resolution

"In conformity with the present democratic trend in government and in private enterprise to include a representative of employees in management,

BE IT RESOLVED that the California League of City Employees Association

strive toward enabling employees' groups, associations and representative bodies of such groups or associations, to be given fair consideration in the appointment or appointments of members to the governing body, commission or board controlling or otherwise in authority over employees' affairs. Such consideration can be in the form of a recommendation or appointees by the employees' group of an equal or lesser number of members to the controlling body, commission or board; or placement of an employee or employees to the controlling body, commission or board.

BE IT FURTHER RESOLVED that the Legislative Committee of the California League of City Employees Associations take the necessary steps instigating adoption by the State Legislature of a measure or measures incorporating the purpose and intent of the above plan.
