THE BEAUTIFUL SEA BEACH HOTEL. The Sea Beach was built to keep tourists coming here instead of heading for Monterey. I'd guess this photo was taken about 1910 because it burned down June 12, 1912 and earlier photos don't include the palm trees. It was located at the corner of Beach and Main, about where the Casablanca restaurant now stands.

of taxing industry. He finds electronics much cleaner than the tourist industry, and believes tourism is less desirable because it has a lower salary base for its employees. What his message is that we will soon see lots of money being
