

Village kids touch up art projects

Students in the Aptos Village Kids program put final touches on holiday art projects (above) with the help of parent Barbara Ramaekers. Teacher Melanie Watts tied a balloon to Lindsay Ramaekers' wrist at the holiday party she held for students last Thursday at Aptos Village Park. The Santa Cruz Parks and Recreation program serves children ages 2½ through 5 at Aptos Village Park. Information on winter classes is available by calling 425-2394.
