

'Grand' New Catalyst

Sa

120th Year N

The new "grand" Catalyst on Pacific Avenue, located at the site of the old Santa Cruz Bowl, received its finishing touches Tuesday and today for its debut tonight. Over three years in the creation, the new Catalyst, estimated to cost more than \$750,000 for remodeling, offers 20,000 square feet of res-

taurant, bar and dance hall space, lighted by its vaulted skylights and graced by local art. Owner-builder Randall Kane admitted this week, "It's going to be kind of nice here." More pictures and story on page 33. Photo by the Sentinel's Bill Lovejoy.
