PROCLAMATION DECLARING SANTA CRUZ COUNTY A PLANETARY COUNTY

WHEREAS, there is a growing interdependency among all nations and regions of the world; and

WHEREAS, the problems of war, hunger, energy, resources and pollution are world problems affecting the citizens of every nation and of every region; and

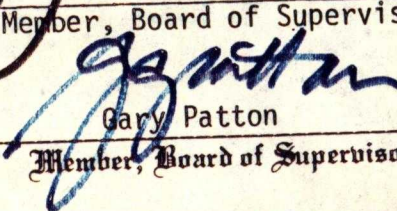

WHEREAS, the common interests of humanity can only be met through world cooperation and personal initiative; and

WHEREAS, to solve world problems and to live in peace, all people must share global responsibility for international cooperation, and must extend their responsibilities to citizenship beyond their own State and nation.

NOW, THEREFORE, BE IT PROCLAIMED that the County of Santa Cruz is a Planetary County, dedicated to international cooperation and just world law.
