

## Cabrillo's First Bonfire Rally

11-20-59

The flames of college spirit will rise tonight at Cabrillo college's first football bonfire rally to be held at the new permanent college site at Soquel drive and New Brighton road at

7 o'clock. The rally is sort of a modern version of the ancient Indian war dance which preceded a fearsome conflict. In this case the struggle will be with Reedley Junior college to

tomorrow night in Watsonville. Shown here are, from left, Jim Wenks and Nick Hellesoe, on truck. Aiding them are, from left, Mary Avila, Nancy Jones and Claren Lucini.
