

Fruitless search

Santa Cruz County Sheriff's Explorer Rick Lucas studies track marks on Haas Drive in Aptos during search Saturday morning for clues in the disappearance of Arlene Tsuji, 25, who has been missing since she left her home on Wilshire Drive Oct. 24 to go for a walk. Deputies, who believe Tsuji was kidnapped, enlisted the aid of the

Highway Patrol, which scanned the area with infrared equipment from a plane over the weekend. Explorer Scouts and Cabrillo College police aided in the search, which is continuing. Tsuji's family and friends have posted a \$15,000 reward for information leading to her whereabouts.
