## Big job starts

Ford's executives John Donat, executive vice president; George Menasco, president, and Hal Hyde, senior vice president (left to right), stand on site where Tom Rosewall and Sons began work this morning on the new Ford's Department Store. The new store will rise on the

same site where the old one stood before it had to be demolished because of damage suffered in the Loma Prieta earthquake. The 75,000-square-foot store should be open by Oct. 15, two days before the second anniversary of the earthquake.
