House on tour

The old Hinds House, now owned by Sandra and Stanley Mock, will be among six houses on tour Dec. 12 during the Santa Cruz County Symphony Guild's annual house tour. The 1-5 p.m. tour will feature Christmas music at each stop and refreshments served at the Babbling Brook Inn on Laurel Street. The Hinds House, built in 1888, has recently been converted to a 10-bedroom guest house. The stately Victorian is furnished entirely with antiques.
