## IT'S ALMOST SOFTBALL TIME!!

Last year was the first year the City Slickers softball team participated in the City's slow-pitch softball league. They were sponsored by the Employees' Association. It was a highly successful season because all those who participated had a "whole lot of fun". Under the excellent leadership of Leo "The Lip" Caiocca, the Slickers won two games and one keg of beer. This year it is hoped that both categories can be improved upon.

The City Slickers is a team for all City employees—players, coaches, rooters (last year's rooters were the best in the league), sports writers and "bat persons". All those interested, please contact your Employees' Association representative AND attend the next regularly scheduled City Employees' Association meeting on Tuesday, March 4, at 7:30 PM, at the Harvey West Club House. It is at that meeting that those interested will request Employees' Association sponsorship once again.

## BLOOD ASSURANCE CLUB REPORT

By Marvin Evans

Our last blood drive was pretty good. We had 15 donors. We are grateful and wish to thank each volunteer. They are: Brian Covey, John Curry, Glenn Ensign, Marvin Evans, Cody Hixon, Clarence Jones, Raymond Manjares, Robert Marengi, Milton Myler, David Rauen, Melvin Schneider, Mrs. Radene Schneider, Susan Tracy and Judson Farley.

I wish to stress the fact, however, that almost all the donors were from either the Street Department or the Fire Department.

The need for blood should be a concern for all employees. Who can say when theirs will be the family in need?

Our next blood drive will be in March. We would like to see more representation from other departments.
