Work on overpass to close Highway 1

Construction crews will start work Monday on a \$1.5 million project to widen and strengthen the Highway 129-Highway 1 overpass bridge, and repave about 1.2 miles of Riverside Road from the freeway to the Southern Pacific railroad tracks.

Highway 1 will be closed at Highway 129 in both directions from 10 p.m. to 5 a.m. during the evening and early morning on Tuesday, Wednesday and

Thursday.

Traffic will be detoured off Highway 1 via the interchange off- and on-ramps. Construction engineer John Prokop said detoured traffic will move slowly, but should proceed smoothly.

The contract was awarded to RGW Construction of Fremont, said Caltrans spokeswoman Lisa Murphy.

The work will take 8-9 months to complete.
