Torn down last week was this structure at 1152 East Cliff drive, owned by Mrs. Carrie Berkley, 1148 East Cliff drive, Mrs. Joseph L. Tedrowe, 1140 East Cliff drive, and Mrs. Caroline Bowman,

Stockton. Mrs. Tedrowe's husband said the building, the former Ocean View Apartments, was constructed 84 years ago and at one time was a popular Santa Cruz hotel. It commanded a view of Mon-

terey Bay and the Seaside Company's boardwalk and beach area. The building, which had been condemned, was razed and burned following the death of its last tenant.
