CAPITOLA — Yes, it said  
“Country Girl” but, no, it wasn’t a  
country western store.

So when Marilu Eddlemon  
closed her Rancho del Mar store  
and opened at Brown Ranch  
Marketplace in Capitola, she called  
her new venture Marilu’s Unique  
Fashions.

- She features womens clothes.  
Typical customers are over 25  
years old and are looking for  
distinctive items not available at  
department stores, she said.

Eddlemon frequently travels to  
San Francisco and Los Angeles to  
buy her wares.
