Santa Cruz County Grand Jury

Dear Citizens of Santa Cruz County:

The information contained in this special Civil Grand Jury newspaper supplement is the 1993/1994 Santa Cruz County Civil Grand Jury report and the first public release of all responses to the Grand Jury's findings.

You will also find information on the Grand Jury's function, the citizen selection process for both the Civil and Criminal Grand Juries, and why the Civil and Criminal Grand Juries were separated into two bodies in 1991.

We urge all Santa Cruz County citizens to read this report and inform themselves about our judicial system and the issues regarding our government that cause concern among county citizens.

Sincerely,
Santa Cruz County Grand Jury
