## Hospital Dedication Today

The Dominican Santa Cruz Hospital, the county's newest, largest and most modern medical facility, will be dedicated today at 1 p.m. The Most Rev. Harry A. Clinch, bishop of the Diocese of Monterey, will bless the hospital and speak during this afternoon's program, the first official ceremony in the newly-established diocese. Located on Paul Sweet Road just off Soquel Avenue, the \$5.5-million, 150-bed hospital conducted a public open house yesterday. Among those present were Mr. and Mrs. Ford Kettle of Aptos, shown here as they

viewed a plaque being described by Sister Mary Carolyn, O. P., administrator. Also greeting visitors yesterday were Sister John Joseph, O. P., provincial mother at the Holy Cross Provincial House, second from left, and Mother Mary Genevieve, O. P., mother general of the Adrian Dominican Sisters, whose offices are at Adrian, Mich. Keith Shaffer, president of the hospital advisory board, will preside at this afternoon's ceremony and Bishop Clinch will be welcomed by the Right Rev. Msgr. William MacLoughlin of Holy Cross Church.
